

# America's Newest Monument

A Presentation by the Wright Image Group, Inc.

To

The Ohio Aviation and Aerospace  
Technology Committee

November 18<sup>th</sup>, 2015

# The Triumph of Flight<sup>®</sup>

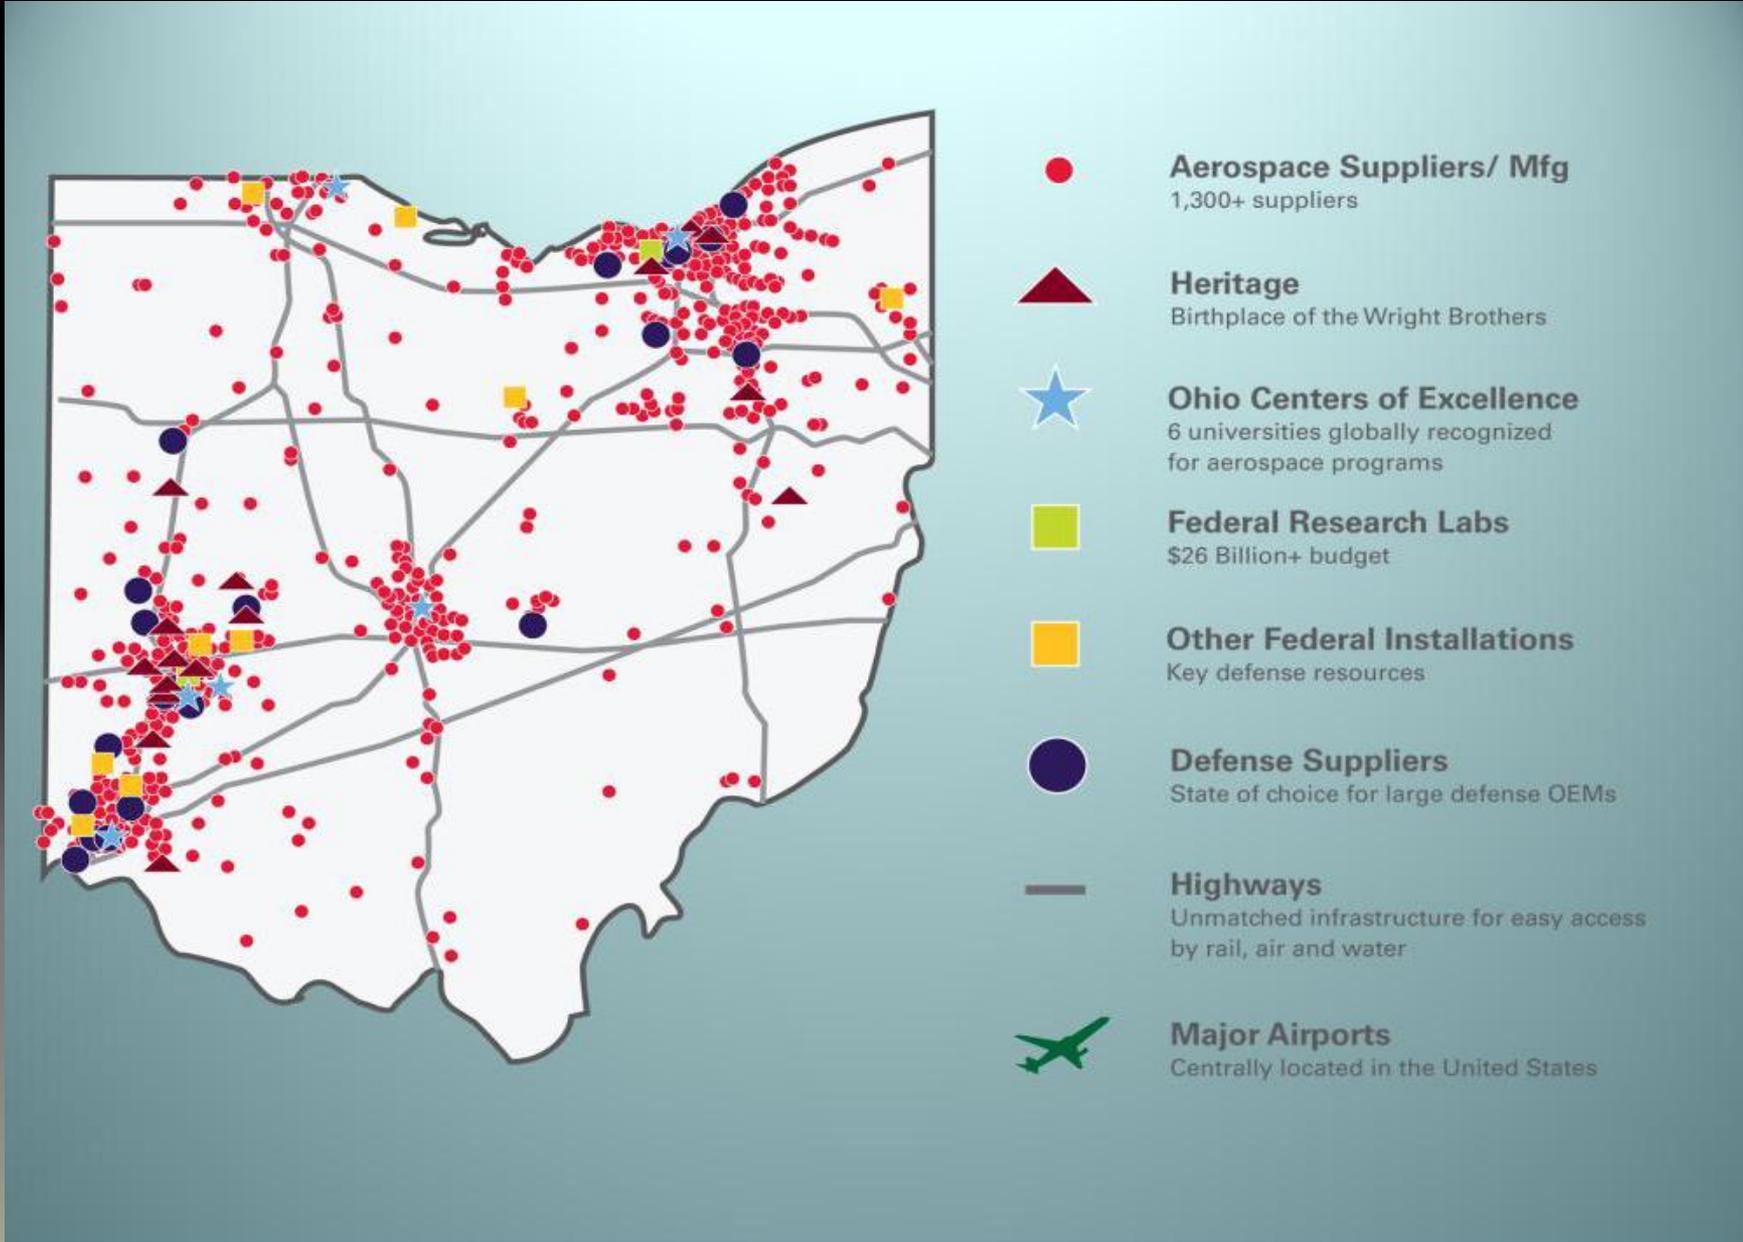

© 2015 by the Wright Image Group, Inc.

# Ohio Has America's Only National Aviation Heritage Area

- Home of the Wright Brothers
- The Birthplace of Aviation
- The First Aircraft Factory
- The National Museum of the USAF
- The National Aviation Hall of Fame
- Home of Neil Armstrong
- ...and much more

# ... and Ohio has always been a leader in Aviation/Aerospace

# The Triumph Will “Brand” All That

- ✓ Dramatic Scope
- ✓ Breadth of History
- ✓ Exciting Public Art

**We Are Creating a  
World History Site**

**We will place it at the heart of the Aviation Heritage Area,  
the Crossroads of I-70 & I-75, soaring proudly  
above 53 million vehicles /year!**

**BROWN & BILLS**  
ARCHITECTS

**WRIGHT**  
IMAGE GROUP, INC

**Height 270', Wing Span 144'**

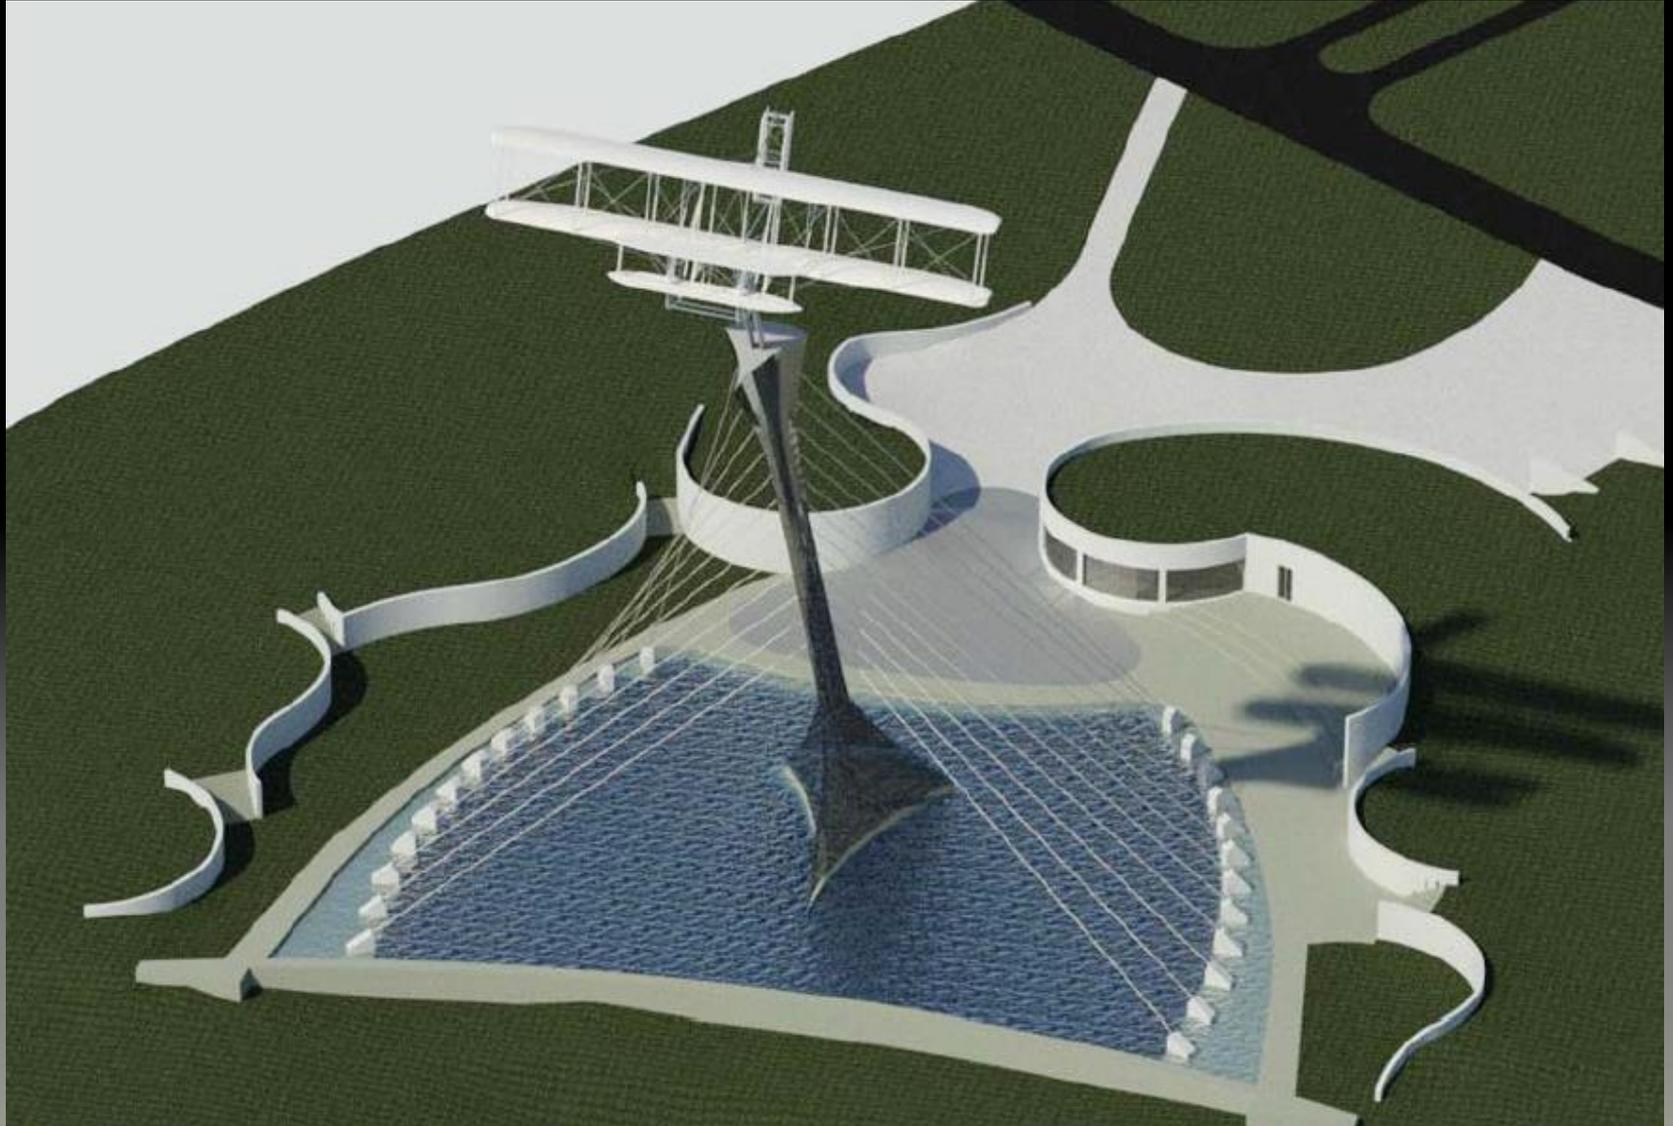

**Dayton Skyline**

**I-75**

**I-70**

# The Project Is Multi-Dimensional...

# ...providing...

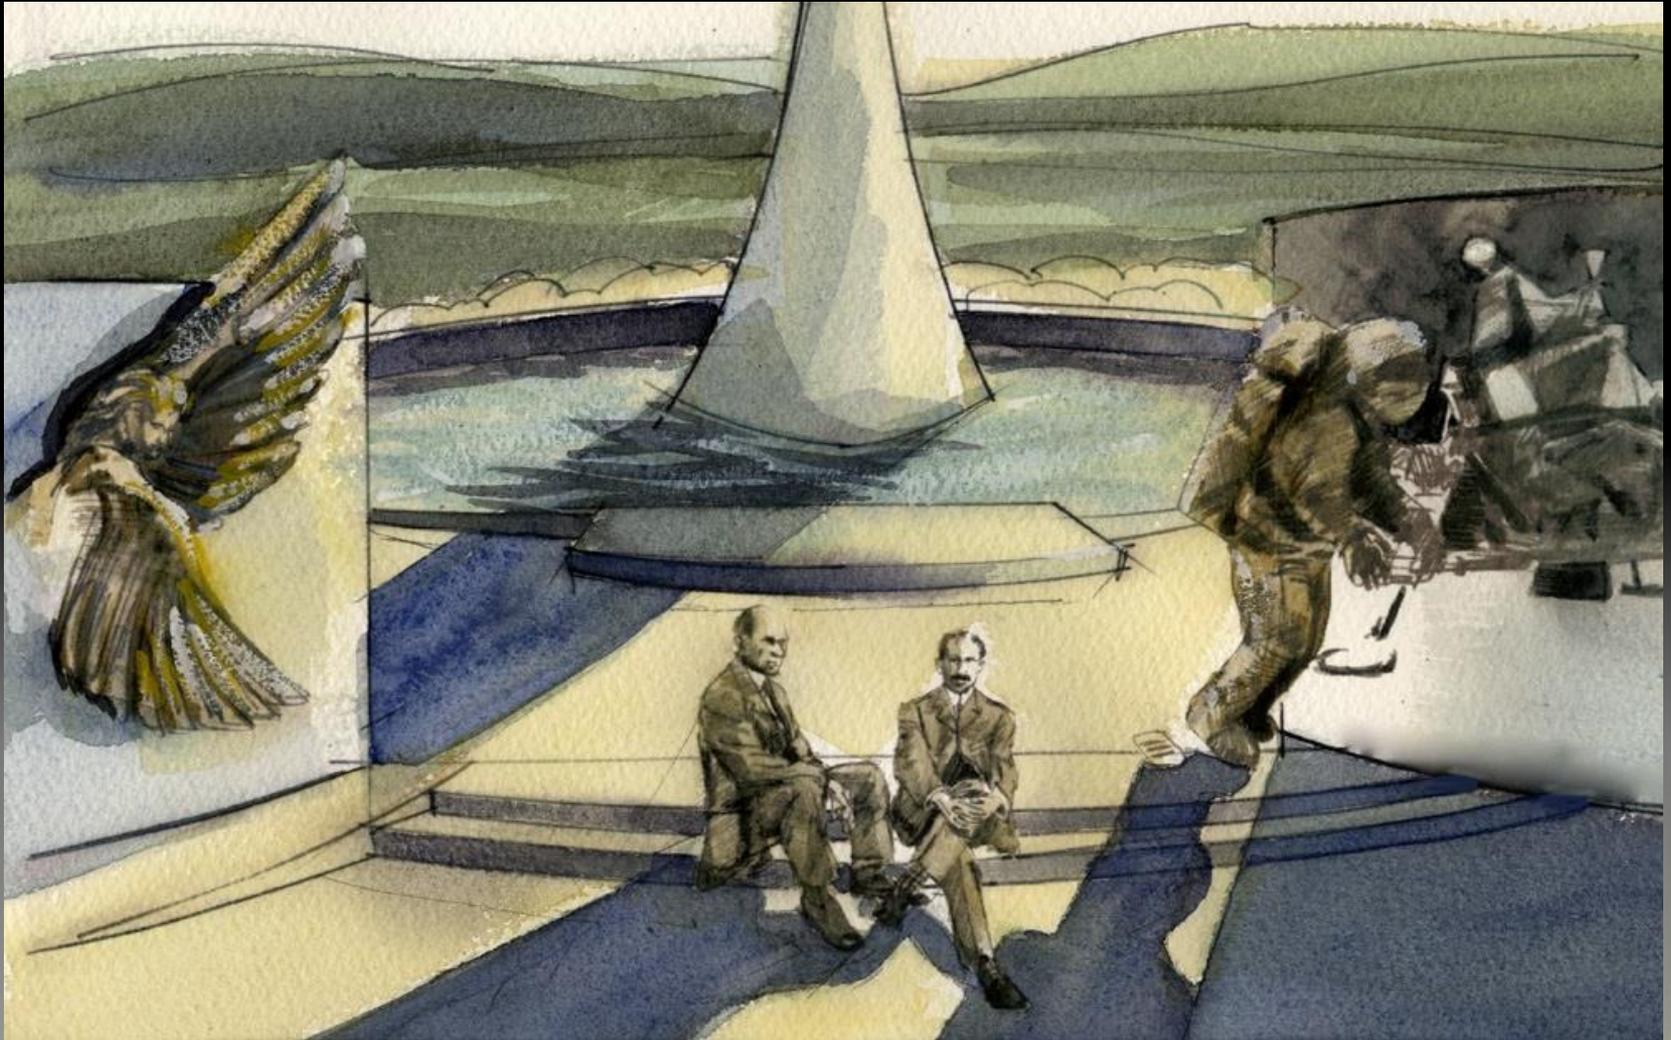

- A Dramatic Entrance
- Photographic Moments
- Intentional Sight Lines
- Depictions of Ohio's Contributions to Aviation History
- A Learning Center
- An Ohio Aviation Hall of Fame

...and creating a complete experience for the visitor  
– a sense of sacred ground.

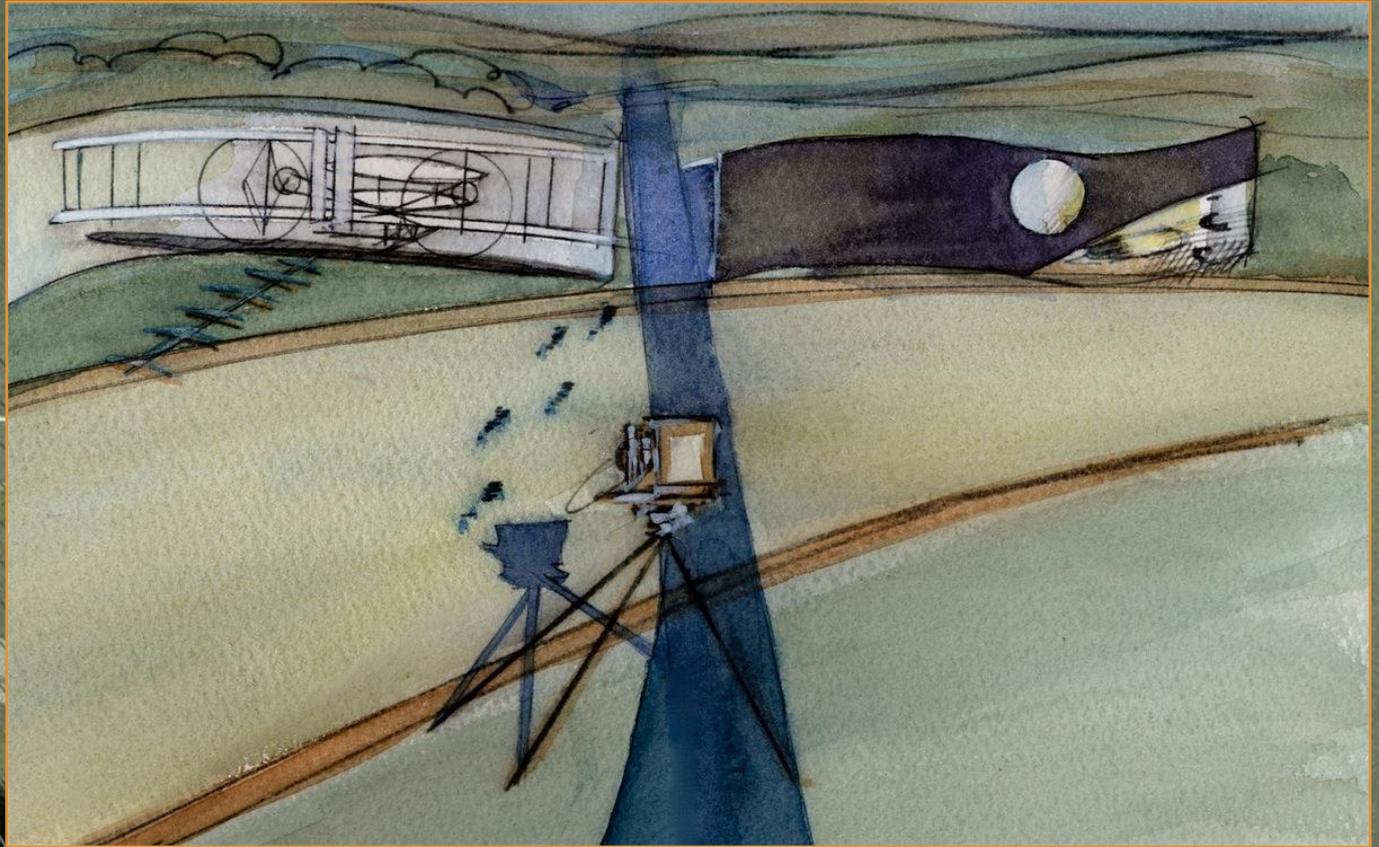

# Aviation in Myth, At Birth, Today

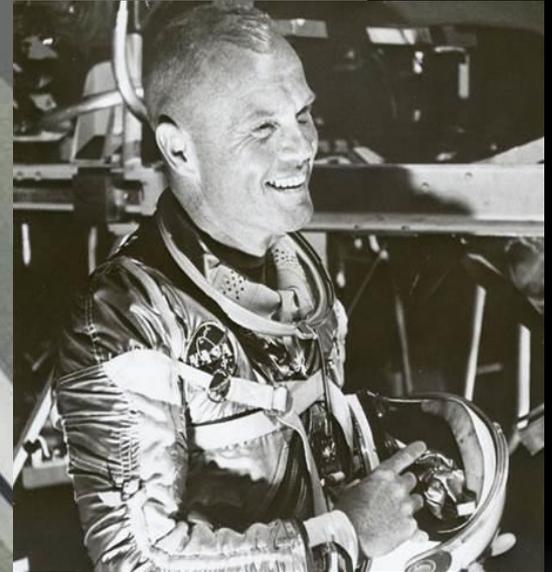

# A Stunning Entrance

February 20

# Triumph of Flight<sup>®</sup>

We ask you to become a  
“Champion” for this project.

Help us promote Ohio’s aviation  
heritage and aerospace leadership  
to the world.
